PROFESSIONAL EXPERIENCE

President & Consultant,| Resolute Technical Consulting LLC

2013- Present

Founder and President of veteran owned service disabled small business, providing intelligence , naval operations and special operations SME level support to U.S. National Security and DoD customers.

Achievements & Highlights:

- Cultivated key business relationships with COCOM -level customers, single-handedly capturing \$1M in sales in the first 6 months of operations.
- Hired as SOF Intelligence and Intelligence Community SME, provided guidance and support to industry on USSOCOM IDIQ proposal and capture efforts.

LCDR (ret.) | U.S. Navy

1988-2013

25+ year career serving in various leadership roles across the DoD Intelligence, Special Operations and Naval communities.

Deputy Program Manager | Joint Threat Warning System

Special Operations Research, Development, and Acquisition Center (SORDAC)

U.S. Special Operations Command (USSOCOM), MacDill AFB FL

2010-2013

Managed the USSOCOM SIGINT Acquisition Program; directly responsible for day-to-day operations, resources, budgeting, strategic planning and execution of the DoD's premier SIGINT program in direct support of global SOF operations.

Achievements & Highlights:

- Directed a cross-functional team of direct/indirect reports annually executed a \$100M+ program budget to resource, research, develop, field, and sustain state of the art SIGINT, cyber, and electronic warfare systems in support of Joint Special Operations.
- Executed over \$450M in total program funding and technology projects for the modernization of SIGINT assets.
 - Overhauled outdated SIGINT platforms, improving overall mission capabilities by 35%.
 - Oversaw the development, testing and approval of five advanced tactical SIGINT systems; received the first-ever DoD contract and approval to field for "JTWS AIR II SIGINT" system usage on an AC/MC-130.
- Managed the implementation of USSOCOM IDIQ contract vehicle; streamlined acquisition processes and increased field times by 50% in support of the U.S. war fighter.
- Regarded as a SIGINT subject matter expert for USSOCOM; closely advised C-Level officers/DoD Executives on SIGINT system capabilities, programs and operations. USSOCOM representative at the DoD and Agency level.

Continued

Chief, Mission Support and Integration Department

U.S. Navy Information Operations Command (NIOC) Menwith Hill, UK

2008-2010

Selected as the sole O-4 Department Head, leading a joint U.S. and UK contingent conducting Information Operations (IO) in support of overseas contingency operations.

Achievements & Highlights:

- Successfully led 45 direct reports, managed a \$3M annual operating budget and assets in excess of \$10M in support of global counterterrorism and military operations.
 - Executed Information Operations missions in support of USCENTCOM and USSOCOM, resulted in the prestigious Director of National Security Meritorious Unit Award for the pursuit of a high value target.
 - Enacted team environment with a strong emphasis on training and customer/self improvement; praised for 100% annual retention rate.
- Cultivated/strengthened key business relationships with COCOMs and key NSA elements, enhancing Information Operations (IO) capabilities and collaboration efforts two-fold.
- Revamped under-performing/flawed branches into cross-functional efficient organizations, in-line with sector and organizational strategic goals.

Deputy Director | Joint Intelligence Fusion Center/SIGINT Field Site

2007-2008

CJTF-101, Jalalabad, Afghanistan

Hand Selected by the CJTF-101 CDR and National Cryptologic Representative (NCR) to Afghanistan, as the Deputy Director of the Joint Intelligence Fusion Center and SIGINT Field Site to lead 24/7 production and dissemination of all-source intelligence fusion, SIGINT analysis, collection and threat reporting in direct support of U.S. Special Operations Forces, ISAF Forces, and other governmental agencies.

Achievements & Highlights:

- Managed real-time intelligence support to over 30+ Joint Special Operations combat missions, driving SIGINT and all-source intelligence analysis to support the capture/kill of 130 High Valued Targets (HVT).
- Directed SIGINT and intelligence operations in excess of \$15M in support of three downed aircraft missions, resulting in the recovery of U.S assets in excess of \$35M with zero loss of life.
- Established a fully operational 24/7 time-sensitive intelligence cell consisting of all-source experts to provide Indications and Warning (I&W) and threat reporting support to over 15,000 customers.
- Led the production of over 300+ analytic finished intelligence products, tailored for interdiction, counter-terrorism, counter-insurgency, and counter narcotics operations.

Various Naval Leadership Positions

1988-2007

- Selected as the Deputy Chief of Collections for the U.S Navy's Information Operations Command.
 - Led 120 joint U.S /UK personnel in the execution of 24/7 intelligence collection management operations; enhanced overall collection efforts by 45% over a 2 year period.
- Special Projects Division Operations Officer for NIOC Suitland, directly responsible for leading operations, logistical planning and training for six multi-million dollar global detachment centers.
 - Managed a \$16M re-alignment project for four global detachment centers; enhanced overall Information Operations capabilities, while completing the project on time and on budget.
- Ship's Navigator and Administrative Officer and for the USS ARLEIGH BURKE (DDG 51), directly responsible for the safe navigation of a \$1.3B naval vessel and combat operations in support of Operation Iraqi Freedom.
 - Navigated over 40,000 miles incident free, while leading an operations crew consisting of 35 sailors, in conducting over 26 Tomahawk cruise missile launches against enemy positions.
